Term 3

September 2021

A word from the principal

We have reached the conclusion of an exhausting and remarkable Term 3 at Carinity Education Gladstone. As we refresh and take a much-needed Spring break, our Year 12 students are coming to terms with the realisation that their school journey is quickly coming to an end and also that they still have hard work ahead.

Term 4 will be a busy time for our school community, and it is great to see our staff; teachers, trainers, youth workers, administration,

A word from the principal continues..

and maintenance team, all helping and supporting each other to be the best they can be each and every school day!

I would like to express my utmost gratitude to all members of our wonderful school community and carers who are encouraging, supporting, and doing their very best so that our students can be the best they can be all of the time!

This term I have witnessed a number of events that highlight just how important and how quietly our resilience, strength, sense of belonging, and pride is developing throughout our school.

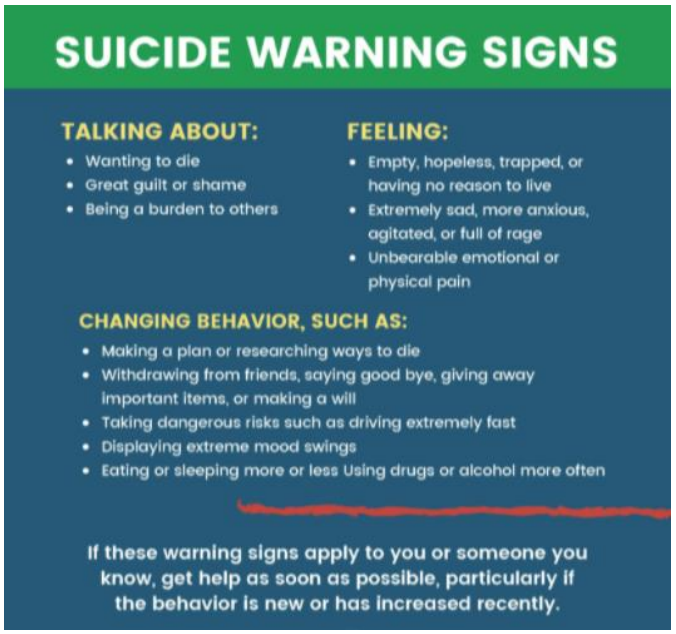
Please enjoy the small snippet of learning and events that have occurred throughout Term 3 and reflected on through words and photographs in this Newsletter.

Have a wonderful Spring break. Term 4 commences on Tuesday 5th October (Monday 4th October is a Public Holiday and Tuesday 5th October is a student free day and professional development for staff)

I look forward to seeing you all again next term, our final term for 2021.

Suicide Prevention Week

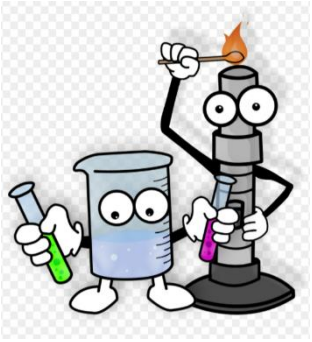
Staff blew up balloons and placed at entrance of Carinity Education in support of suicide prevention week.



SCIENCE

Students in year 10 science at Carinity Education Gladstone are demonstrating their understanding of the structure of DNA by creating 3D double helix models.

Teacher: Megan



Science continues…

Year 10 science kids extracting DNA from strawberries and observing the DNA under the microscopes.

FAREWELL MANDIE

Vocational Education Training

HOSPITALITY

Hospitality students working hard serving students lunch during the recent school audit. All students continue to learn valuable skills whilst working in an industrial kitchen environment.

Chef Ryan ensures they develop lifelong skills that will enable them to gain employment in the hospitality industry and certainly give the school community some very tasty and nourishing dishes to eat.

VET
VOCATIONAL EDUCATION AND TRAINING

VOCATIONAL EDUCATION TRAINING CONTINUES……

VOCATIONAL EDUCATION AND TRAINING

YEAR 10 FSK Activities

Year 10 students undertaking some group work activities in relation to the Skills for Work program.

Students were required to work as a group to complete a card sorting activity which they had to sort out in order and then place them at exactly the same distance apart from each other using the entire table.

They had to listen to other suggestions, work together and get it done in the shortest time they could.

GIRLS WELLBEING CAMP IN YEPPOON

Once upon a time in term 3, fourteen fair young women went on a wellbeing camp to Rockhampton/Yeppoon.

We went to the Cooberrie wildlife Sanctuary and played with our friends.

Chases were had, tears were shed (Meya 😂) our friends were fed and petted. Most of the time was spent playing with the hundred guinea pigs, go figure!!!

Fun was had by all, staff included. Lots was eaten, swimming was divine. Chats was had, laughter had us in tears. No tears were shed for the ones back at home. Only the day we were leaving, with sadness as reality had set in, for our return to civilization.

Thank you to Sirayah and Megan for the support in making this camp wonderful.

Till Next time.
THE END!!!!

Mumma Cassie

ART

Year 11 creative art in practice.

The year 11 young people really got involved in stenciling the walkways around Carinity school as part of the street art unit this term.

ART CONTINUED…

Golding Showcase Art Exhibition

In August Katie attended the Golding Showcase where she had one of her artworks included in the exhibition.

The Golding Showcase is an exhibition open to secondary school students in the Gladstone Region.

The exhibition attracted student work from Rosedale State High, Gladstone State High, Toolooa State High, Tannum State High and Trinity College.

The exhibition will be on display till the end of September. Congratulations Katie!

Teacher: Roslyn

YEAR 12's SELF AWARENESS COURSE

Three year 12 girls recently successfully completed the Certificate II in Self Awareness course.

This course is designed to assist them in developing personal skills to achieve their goals and work towards being more self-resilient and stronger.

They enjoyed interacting and working with each other and all of them learnt things about themselves which will guide them to become successful and focus on the positive things they have completed so far.

Teacher: Karen

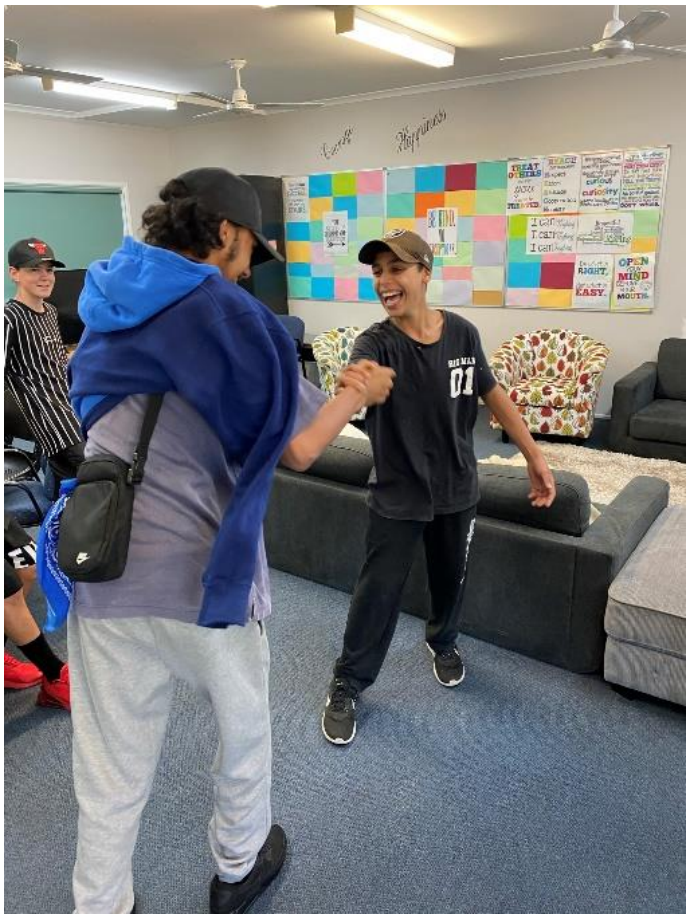
BOYS GROUP WITH COOKIE

Boys group is a program facilitated by Josh (Cooki) that was formed for young men from our school aged 13-15 years old.

The purpose of the group is to create a space for these young men to discover and unlock more of the hidden potential everyone has.

Activities are all adventure based and implements activities to build on the boy's trust, teamwork, resilience, and physical fitness.

The last two terms have been awesome to see the boys grow week in and week out, seeing their confidence grow not just within themselves but within each other. Looking forward to Term 4 with these lads, as we take it to a whole other level.



BOYS GROUP CONTINUED....
