

APPLICATION FOR ENROLMENT

INTRODUCTION

ALL SECTIONS OF THIS FORM MUST BE COMPLETED

The information requested on this form will be used to initially assess, and where necessary, gain further information to make an assessment of the student's suitability for enrolment in a Carinity Education school.

The application form gives you as a parent or carer a crucial opportunity to provide the school with information that will help facilitate the smooth transition of the student into the school setting. This will include preparing appropriate strategies directed at meeting the needs of the student.

In doing this, it is also necessary, on occasions to follow up on information provided by contacting others to discuss the student's needs. By signing the Parent/Carer Declaration at the end of this form, permission will be given for Carinity to contact any previous schools and/or agencies as listed in this enrolment form, to obtain full and/or further records relating to the application for enrolment. This information is crucial in assessing the student's suitability for a Carinity education.

If, your application is successful, the information will also be used to provide an initial profile of the student that will enable us to productively and safely start working together, hopefully, for the duration of the student's school years.

You can be assured that Carinity is committed to protecting your privacy. To that end, Carinity has in place a strong and current Privacy Policy and associated Privacy Procedure. This policy and procedure is available in hard copy on request and contains detailed information on how we protect your privacy, including the way in which we may collect, use and disclose your information.

Your full and accurate responses to the questions below will also help the school to fulfil its responsibility to provide a safe working and educational environment for all students, staff and volunteers.

COLLECTION & DISCLOSURE OF PERSONAL INFORMATION

1. Carinity Education (hereafter called the "School") collects personal information, including sensitive information about students and parents or guardians before and during the course of a student's enrolment at the school. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the school to provide schooling to the student and to enable them to take part in all the activities of the school.
2. Some of the information we collect is to satisfy the school's legal obligations, particularly to enable the school to discharge its duty of care.
3. Laws governing or relating to the operation of a school require certain information to be collected and disclosed. These include relevant Education Acts, and Public Health and Child Protection laws.
4. Health information about students is sensitive information within the terms of the Australian Privacy Principles under the Privacy Act. We may ask you to provide medical reports about students from time to time.
5. The school from time to time discloses personal and sensitive information to others for administrative and educational purposes, including facilitating the transfer of a student to another school. This includes to other schools, government departments, medical practitioners, and people providing services to the school, including specialist visiting teachers, sports coaches, volunteers, and counsellors.
6. Personal information collected from students is regularly disclosed to their parents or guardians.
7. The school may store personal information in the 'cloud', which may mean that it resides on servers, which are situated outside Australia.
8. The Carinity Privacy Policy and Privacy Procedure set out how parents or students may seek access to personal information collected about them. However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the school's duty of care to the student, or where students have provided information in confidence.
9. The Carinity Privacy Policy and Privacy Procedure also set out how you may complain about a breach of privacy and how Carinity will deal with such a complaint.
10. As you may know, the school from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the school's fundraising activities solely for that purpose. We will not disclose your personal information to third parties for their own marketing purposes without your consent.
11. On occasions, information such as academic and sporting achievements, student activities and similar news are published in School newsletters, Facebook, magazines and on our website. Photographs of student activities such as sporting events, school camps and school excursions may be taken for publication in School newsletters, Facebook, magazines and on our website. The school will obtain separate permissions from the students' parent or guardian prior to publication.
12. We may include students' and students' parents' or guardians' contact details in a class list and school directory.
13. If you provide the school with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the school and why, that they can access that information if they wish and that the school does not usually disclose this information to third parties.
