School Officer Day

Miss Tracey
Office Coordinator

I have been an Administration Officer for 4 years and Office Co Ordinator for 5 months

I enjoy working at the school and love interacting with the students and supporting them each day, seeing them grow into someone they thought they never could be is just priceless and warming

A typical day for me includes doing payroll, plus the financial side of the school, filling in doing a bus runs if required. Supporting the Administration team as well as other staff members that require anything

I live on one thousand acres with cattle love mowing, driving a slasher and driving around the property on a buggy.

Miss Kira
Administration Officer

I have worked at Carinity for a year and a half.

My favourite part of my job is getting to know and support our students and seeing them grow.

My typical day is fetching snacks for Miss Pickles and Maverick and maybe get some work done -maybe!

One fun fact about me is that I have 2 Sphynx cats called Ralph and Sir Chicken Nugget.

Staff Spotlight

Miss Skye
Administration Officer

I have been an Administration Officer at Carinity for nearly a year, and I've really enjoyed becoming part of the school community.

What I love most about my role is working with such a wonderful team. No two days are ever the same, and I enjoy learning something new each day while getting to know our students and families. My role is varied, from supporting reception and administering first aid to guiding families through the enrolment process and helping make their transition to our school as smooth as possible

Outside of school, I coach U10 and U12 basketball teams and I'm currently helping coach and manage my son's U12A team, which I absolutely love.

Miss Brianne
Administration Officer

I have worked at Carinity for 2 years. I enjoy the authentic values of compassion, respect, and empathy we all have for each other. Where genuine support, kindness and purpose come together.

I started as the first point of contact for families and visitors and now work in back-office administration, maintaining company records and supporting internal processes.

I have a lifelong fascination with all things supernatural, from local ghost stories, historic haunts, to paranormal history from around the world. I've been privileged to be a part of many ghost tours over the years, an experience that never fails to captivate me.

School Officer Day

FEELING UNSAFE?

EVERY STUDENT HAS THE RIGHT TO FEEL SAFE; AT HOME, AT SCHOOL AND WHEN THEY ARE OUT IN THE COMMUNITY.

NO ONE HAS THE RIGHT TO MAKE YOU FEEL UNSAFE.

This means they cannot abuse you, physically or sexually; they cannot harass you or intimidate you, and the adults who are taking care of you cannot neglect you or knowingly put you in harm's way. *Remember*, a safe adult will never ask you to keep a secret that makes you feel uncomfortable, and they won't threaten to keep you silent.

REMEMBER, Nothing is so awful that you cannot talk about it with someone.

IF YOU DO NOT FEEL SAFE THERE ARE THINGS YOU

The Universal Principle ensures that Aboriginal and Torres Strait Islander children are culturally safe. This needs to be embedded across all 10 Standards. If an organisation isn't culturally safe, it's not child safe.

The 10 Child Safe Standards

1	Leadership and culture	Child safety and wellbeing is embedded in the entity's organisational leadership, governance and culture
2	Voice of children	Children are informed about their rights, participate in decisions affecting them and are taken seriously
3	Family and community	Families and communities are informed and involved in promoting child safety and wellbeing
4	Equity and diversity	Equity is upheld and diverse needs respected in policy and practice
5	People	People working with children are suitable and supported to reflect child safety and wellbeing values in practice
6	Complaints management	Processes to respond to complaints and concerns are child focused
7	Knowledge and skills	Staff and volunteers of the entity are equipped with the knowledge, skills, and awareness to keep children safe through ongoing education and training
8	Physical and online environments	Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed
9	Continuous improvement	Implementation of the Child Safe Standards is regularly reviewed and improved
10	Policy and procedures	Policies and procedures document how the entity is safe for children
