**A Message from the Director of School Campus**

Dear Shalom Family

Our students and staff are busily getting ready for their NAIDOC

performance on the 3rd of September. In the next couple of weeks, families will receive an invitation to attend the event and pre-order lunch. This week our school was involved in another major event, the AFL Garbutt Magpies Cup. The year 4/5/6 students participated in the cultural and sporting event and gave their best efforts.

This week we also welcomed Sarah Longmuir to our primary teaching staff. Sarah will be teaching the year 5/6 students with Tia Thomson as the class numbers have grown since the beginning of the year. It is wonderful to see our school growing, and I thank you for your continued support.

Peace and Grace

**Garbutt Magpies AFL Gala Day**

Students in Year 4/5/6 participated this week in the Garbutt Magpies AFL Gala Day. All students played really well considering it was their first time playing this sport. We finished the day with one win and three losses but walked away very proud of our achievements. Our stand out students were Rosella Solomon who was an amazing all rounder and Jim Langlo who scored a few 6's and didn't stop running around and giving his best throughout all games.

**Congratulations to all students!**

## A Message from Head of Primary

Hello Shalom Family,

Thank you to all parents and family who have been sending their children to school.

Attendance has been very good this term – and my weekly attendance chocolate bag is being emptied regularly. Well done everyone!!

One of the things we pride ourselves on here in Primary is creating a Safe and Welcoming environment for our students. This means staff and students all working together to ensure our students are all feeling safe and happy.

Just recently we have had a few incidents where students have not been as kind as they could be.

I have spoken to each class concerned, and I have spoken to the whole Primary School at assembly and reminded them that violence and bullying at school is not acceptable. Parents, students, and teachers expect school to be a safe environment. Students have been advised that **ANY** act of deliberate violence (punching, hitting, kicking, fighting, throwing articles – anything that could be viewed as assault), will result in students being suspended from school. This is to ensure that all students feel safe, and that all parents are confident that their children are cared for. We thank you for your support and understanding with this.

Primary recently held a Pyjama Day. Staff and Students came to school in their PJs. We were raising awareness of the Pyjama Angels Foundation who work with children in foster care. Our students loved coming to school in their pyjamas – and seeing their teachers in PJs too. Thanks for making the day fun!!

Blessings

Mary McClure

## Welcome Sarah!

Primary this week welcomed Mrs Sarah Longuir (or Mrs L, to the students!). Sarah has joined the Year 5/6 class. Sarah has taught at many Townsville schools including Palm Island. She loves working with her students and watching them grow, develop and thrive. Sarah enjoys teaching that is play based with practical hands on learning such as, gardening, worm farms and learning through nature!

## Pictures of God Series...

The second beautiful painting created by students. Keep following each week to see the complete series.

It is not the responsibility of the morning bus driver to notify the office of any changes.

## Visit from Healthy Harold

The lovable giraffe visited our Primary students last week. Harold is a passionate advocate for the health and safety of all Australian children and families. The program covers topics such as; personal safety, drugs and alcohol, physical activity, food and nutrition as well as social and emotional wellbeing. Students enjoyed Harold's visit!

## Food Technology Lessons

This term Year 9 students are studying Food Technology with Mr Ryan.

The group is studying various topics such as nutrition and basic maths, used in the cooking process. Furthermore, the group gets to make delicious dishes to enjoy along with their peers.

On the menu today was Meatballs and Spaghetti!

## CHAPPY'S CORNER

It's been another special two weeks at Shalom, with visits from the Garbutt Magpie Bus, Healthy Harold, and even dressing up in our PJ's for National Pyjama Day!

Yesterday I had the joy to cheer on 20 of our students learning and competing in AFL at the Garbutt Magpies Cup with 17 other schools.

It was a special day celebrating strength in culture, family and sport.

Last week in Christian Living we had a wild search around the school following hidden clues and "Where's Wally" characters!

Each week we have been experiencing a fun activity, and then hearing a parable from Jesus.

A parable is a story with a hidden message and truth.

We were looking at the parable of the lost sheep/coin/son.

In Luke 15:4, Jesus says,

***"Suppose one of you has a hundred sheep and loses one of them. Doesn't he leave the ninety-nine in the open country and go after the lost sheep until he finds it?"***

We serve a God who will never stop watching over us, searching for us, and loving us!

I pray you would be reminded and experience afresh this great love he has for you and your family.

Blessings,

Pastor Andy

## News from the Prep Class

This term we are learning about the Zones of Regulation, which is a social-emotional learning curriculum, created to teach children self-regulation and emotional control. The Zones of Regulation uses four colours to help children identify how they are feeling.

Here are some photographs of ourselves in each of the zones and most of us pulled faces for sad, happy, embarrassed and angry!
